Refrigerated  
w/Quasar  
Refrigerated w/Quasar

The Bottle Filling Station is perfect for those high traffic areas. With a contactless, touch-free activation - there are no fears of cross-contamination.

Designed for urban settings, the sloped top prevents trash being placed on the unit. Additionally, the powder-coat steel finish is highly-durable. This unit can be installed right against the wall to save-space.

The unit is easily serviceable with a top a bottom door for quick access to the filters, electronics and the chiller.

The Bottle Filling Station is comes as standard in white. OASIS is offering custom colours or wrapping - offering commercial value.

Chilled and Non-chilled models are available both with or without Quasar; our UVC LED that kills 99.99% of bacteria at the point of dispense.

## **CONTACTLESS**

- Contactless activation
- Minimizing potential cross-contamination in high traffic areas

## **EASY ACCESS**

- Access door for easy maintenance
- Simple access to filters and chiller

## **OPTIONS**

- Chilled or Non-chilled
- Quasar UVC-LED
- OASIS Green Filters
